EXPERIENCE

Intern Pursuit Internship
Jan 2019 – Apr 2019

Redesigned the Intern Pursuit web application for its launch. Duties included gathering client requirements, designing and creating prototypes for the application. Audited their website to test usability and recommend design changes. Worked with a team of five to launch MVP with strict deadlines.

Ad2 Orlando Public Service Event
Oct 2017 – Apr 2018

www.newimageyouth.org

Worked with a team of six on the marketing campaign for a local non-profit organization, New Image Youth Center. Redesigned and developed their website to provide insight into their work and increase donations.

AIGA Orlando Mentorship
Dec 2016 – Apr 2017

orlando.meenakunduru.com

Designed and developed a fun interactive website called Experience Orlando. It has three components - my journey of becoming a designer, animated illustrations of Orlando landmarks and three mini games.

Envy Labs Design Mentorship
Aug 2016 – Nov 2016

Designed and developed a "Cricket delivery guide" website. It demonstrates ten different deliveries using CSS animations.
